

SouthMedWiA's first field activity in Tunis

It is implemented by :

It is implemented by :

european women's audiovisual network

This week, [SouthMed WiA's](#) first field activity took place in Tunis, Tunisia, in synergy with the Journées Cinématographiques de Carthage. The event, in line with the objective of [SouthMedWiA](#), was aimed at supporting and promoting women representation and presence in the audiovisual sector of the Southern Mediterranean region.

Activities started with an official presentation of [SouthMed WiA](#) and an introduction of the projects selected to receive a sub-grant. Participants also enjoyed training

[Subscribe](#)[Past Issues](#)

and underrepresentation of women in the sector as well as seminars on the use of women's bodies and gender stereotypes in movies and TV.

For more information on what happened at the event, follow the the projects website:
